- Please note that demand for this examination is high and the number of places available is limited.
- Applications will not be accepted before the official opening date.
- Due to demand for places, all applications will be accepted on a first come first served basis. In exceptional circumstances applicants who submit entry forms near to but not after the closing date may find they cannot be offered a place.
- Fees are correct at the time of publication: the College may amend these fees in advance of the opening date.
- The College may either cancel an examination centre if there are insufficient candidates or restrict numbers should this be necessary.
- In the unlikely event that the College has to cancel an examination, the examination fee shall be reimbursed, but the College shall incur no further liability.
