2. Black case containing 4 cataract needles, & 1 speculum.
3. Black case containing 1 spring cornea knife.
4. Red case containing 4 Adams' cataract needles.
5. Red case containing 1 Anell's Syringe, 3 pipes, 2 wires, & 2 gold probes.
6. Black case containing 1 Anell's syringe, 2 pipes, & 4 styles for fistula lacrymalis.
7. Wooden case containing 2 Hey's cataract needles.
8. 1 Speculum.
9. 1 Pellier's speculum.
10. 1 pair of curved scissors.
11. 1 pair of forceps.
12. 1 steel tube for fistula lacrymalis.
13. 1 curved trocar for fistula lacrymalis.
14. Camel-hair pencils.
15. 3 Watkin's instruments for fistula lacrymalis.

Drawer 2.

1. 1 Sinus canula with stilet.
2. 1 straight silver canula with stilet.
3. 1 curved silver canula with stilet.
4. 2 large directors.
5. 3 common directors.

6. 1 Hernia director.
7. 3 silver probes.
8. 1 silver canula for polypus uteri.
9. 3 silver double canulae.
10. 2 silver forks.
11. 1 steel fork.
12. 2 single sharp hooks.
13. 2 double sharp hooks.
14. 1 blunt hook.
15. 1 blunt aneurysm needles.
16. 1 sharp aneurysm needle.

Drawer 3. Scissors and Forceps

1. 3 pairs of curved scissors.
2. 1 pair of straight scissors.
3. 1 pair of bone forceps.
4. 2 pair of common forceps.
5. 1 pair of button forceps.

Drawer 4. Tooth Instruments.

1. 1 Fox's Key.
2. 1 Common Key.
3. 5 Stumps levers.
4. 1 pair of Stump forceps.
5. 3 scarifiers.
6. 1 Black case containing 8 Key claws.
7. Scaling instruments.

Drawer 5. Bougies.

- 1 Black case containing Smyth's metallic bougies.
2. Tin case containing armed bougies.
3. Tin case containing common bougies.
4. Tin case containing 3 Bell's urethra probes, & catgut bougies.

5. Rectum bougies.

Drawer 6. Catheters.

1. 4 Silver male catheters.
2. 1 silver female catheter.
3. Black case containing 4 large gum elastic catheters.
4. Black case containing 3 small gum elastic catheters.
5. Black case containing catheter stiletts.
6. 3 pair of urethra forceps with silver canulae.
7. Tin case containing 1 twisted silver catheter.

Drawer 7.

1. Black case containing 2 phymosis knives.
2. 1 Hey's saw.
3. 2 Metacarpal saws.
4. Perkin's Tractors.
5. 3 cutting gorgets.
6. 1 Lithotomy canula.
7. 1 Munro's tracheotome.
8. 5 Trachea canula in a black case.
9. 1 lip horn.
10. 1 pair of lip forceps.
11. Black case containing 2 gold pins, 9 silver pins, & 12 steel points.
12. Red case containing 1 thermometer.

Drawer 8. Trochars.

1. 9 round trochars with silver canulae.
2. 1 flat trochar with silver canula.
3. 3 flat trochars with steel canulae.
4. 1 Instrument with silver canula for puncturing the bladder.

Shelf 1.

1. Black case containing 1 fistula in ano knife.
2. 5 probe-pointed straight bistouries.
3. 3 probe-pointed curved bistouries.
4. 2 sharp-pointed straight bistouries.
5. 3 sharp-pointed curved bistouries.
6. 2 case scalpels.
7. 3 abscess lancets.
8. 12 lancets.
9. 1 Seton needle.

Shelf 2. Forceps.

1. 2 curved polypus forceps.
2. 6 pair of straight polypus forceps.
- 3 1 pair of [crano]-bile forceps.

Shelf 3. Sounds.

1. 10 male sounds.
2. 1 female sound.

Shelf 4. Staffs.

1. 1 Earle's double staff.
2. 16 grooved staffs.

Shelf 5.

1. 1 instrument for breaking calculi.
2. 10 pair of straight lithotomy forceps.
3. 2 pair of [baton] forceps.
4. 1 scoop.

Shelf 6.

1. 2 syringes.
2. 1 Hydrocele bag, with stop-cock.
3. 5 straight lithotomy directors.

Shelf 7.

1. Wooden case for 12 scalpels.
2. Rollers.

Shelf 8.

1. 1 pincushion.
2. 2 Tenacula.
3. 7 curved needles.
4. Silver wire.
5. Catgut.
6. Twine.
7. Thread.

Shelf 9.

1. 1 scarificator in a black case.
2. Cupping syringes with 5 cups.
3. 1 Spirit Cup.

Shelf 10.

1. 6 common tourniquets.
2. 2 camp tourniquets.
3. 2 field tourniquets.
4. 1 Apaline's tourniquet.

Shelf 11.

1. Tourniquet pads.
2. Tourniquet straps.

Shelf 12. Dissecting Instruments.

1. 1 Cartilage knife
 2. 10 Scalpels.
 3. 2 pair of forceps.
 4. 1 double hook.
 5. 1 blow-pipe.
 6. 2 embalming needles.
 7. 2 pair of scissors.
 8. 1 elevator.
 9. 2 Tenacula.
-

- 1 Case of Amputation Instruments.
- 1 Case of Trepan Instruments.
- Probangs.
- Pessaries.
- Splints.
- Retractors.
- 1 Chest of Old Instruments. No 2
- 1 Astley Cooper's Fracture Box.
- 1 Hand Saw.

William MacKenzie
House Surgeon.

Jany 7th 1816
Received the above. William Couper.

Transcribed July 2009. Dr R Fairweather.
